# Capability Statement

2019

## Core Competencies

Calvin Electric LLC is an electrical Contractor that specializes in Commercial, Industrial and Institutional work. Our knowledgeable electricians are highly trained and experienced, holding more than 75 years combined experience. Founded in 2011, we have built our business on our reputation and our commitment to quality service. The quality of our staff offers outstanding service from start to finish of every aspect of a job.

- Wiring and Electrical Upgrades
- Back-Up Power Generation
- Equipment and Fixtures
- Fire Alarm
- Retrofits
- Data and communications
- Design/Build
- Emergency Services
- New construction or remodels
- Service Maintenance Contracts Available

## Past Performance

Calvin Electric LLC currently has electricians on site at local Federal sites on a daily basis. From WPAFB to state projects, our

electricians either already hold base passes and PIV

cards or are able to pass security checks needed to obtain additional site/base passes. Our office is able to process the additional paperwork needed to support these jobs.

### Recent projects include, but are not limited to:

- **IMAX Theatre**  
Upgrade to D3D – WPAFB Museum, OH.
- **Hoyt Hall Renovation** – Miami University, OH.
- **Design/Build for OSI** – Bldg 70, WPAFB, OH
